CARBON COUNTY
FULL TIME POSITION

POSITION: Sanitarian Director

QUALIFICATIONS: Must be a Licensed Sanitarian, or be able to qualify and register as a Sanitarian in Training with the Montana Department of Labor and Industry. Must have strong communication skills, the ability to work well with the public, good computer skills, be able to work independently and be self-motivated, and possess a valid driver's license.

JOB DESCRIPTION: Responsible for public health inspections of restaurants, hotels, motels, trailer courts, campgrounds, daycare centers, food service establishments, public accommodations, pools and spas, and septic tank installations. Administration of local health regulations including septic tank permits, inspections, and site plan review. Respond to complaints in all areas of public health concern.

APPLICATIONS: Applications and full job descriptions are available at the Carbon County Clerk and Recorders Office at 17 W. 11th St., Red Lodge, Montana 59068, by calling 406-446-1595, or on the Carbon County Website at http://co.carbon.mt.us/employment/. Carbon County is an equal opportunity employer. Salary is DOE. Applications accepted until position is filled.

Bill Bullock, Presiding Officer

Board of Carbon County Commissioners
