

FLOOD PLAIN EMERGENCY NOTIFICATION

Date of Initial Contact _____ via : Phone Walk In Email or Letter

This form is required to be used by a landowner or their representative to notify the Flood Plain Administrator of projects undertaken during an emergency to safeguard life or structures. This form shall be submitted to the Flood Plain Administrator within five (5) days of the action taken as a result of an emergency.

Unless otherwise specified by the Flood Plain Administrator, within 30 days of initiating the emergency action, a person who has undertaken an emergency action must submit a Flood Plain Permit Application that describes what action has taken place during the emergency and describe any additional work that may be required to bring the project in compliance with the Flood County Flood Plain Hazard Management Regulations.

A person who has undertaken an emergency action may be required to modify or remove the project in order to meet the permit requirements.
