

CARBON COUNTY
FULL TIME POSITION

POSITION: Sanitarian Full-Time

QUALIFICATIONS: Must be a Licensed Sanitarian, or be able to qualify and register as a Sanitarian in Training with the Montana Department of Labor and Industry. Must have strong communication skills, the ability to work well with the public, good computer skills, be able to work independently and be self-motivated, and possess a valid driver's license.

JOB DESCRIPTION: Responsible for public health inspections of restaurants, hotels, motels, trailer courts, campgrounds, daycare centers, food service establishments, public accommodations, pools and spas, and septic tank installations. Administration of local health regulations including septic tank permits, inspections, and site plan review. Respond to complaints in all areas of public health concern.

APPLICATIONS: Applications and a list of references should be submitted to Carbon County Human Resources at PO Box 887, Red Lodge, MT 59068. This position will remain open until filled.

Bill Bullock, Presiding Officer
Board of Carbon County Commissioners
