

ORDINANCE No. 966

AN ORDINANCE OF THE CITY OF RED LODGE, MONTANA, ESTABLISHING THE RED LODGE AIRPORT BOUNDARY

WHEREAS, The City of Red Lodge has determined that a formal Boundary of the Red Lodge Airport has not been previously established; and

WHEREAS, The City of Red Lodge has determined that a formal Boundary of the Red Lodge Airport is necessary and proper in order to maintain and operate said Airport.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF RED LODGE, MONTANA, AS FOLLOWS:

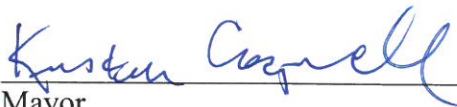

1. The Red Lodge Airport boundary is hereby established by a survey that will be prepared by a licensed surveyor with staff accompaniment and shall after be recorded at the Carbon County Clerk and Recorder.
2. Said survey shall consist of the outside boundary of the airport and will be the formal Boundary of the Red lodge Airport.
3. Said Survey shall follow the attached map. The Survey to be prepared hereafter is incorporated herein by reference and shall be the formal boundary of the Red Lodge Airport.
4. In the case of a conflict between the attached map and the final Survey, the final Survey that is recorded at the Carbon County Clerk and Recorder shall control.

The Ordinance shall be effective 30-days after approval of second reading by the City Council of the City of Red Lodge, Montana.

First Reading by the Council on the 14th day of November, 2023.

Second Reading by the Council on the 28th day of November, 2023.

PASSED and APPROVED this 28th day of November, 2023.

Mayor

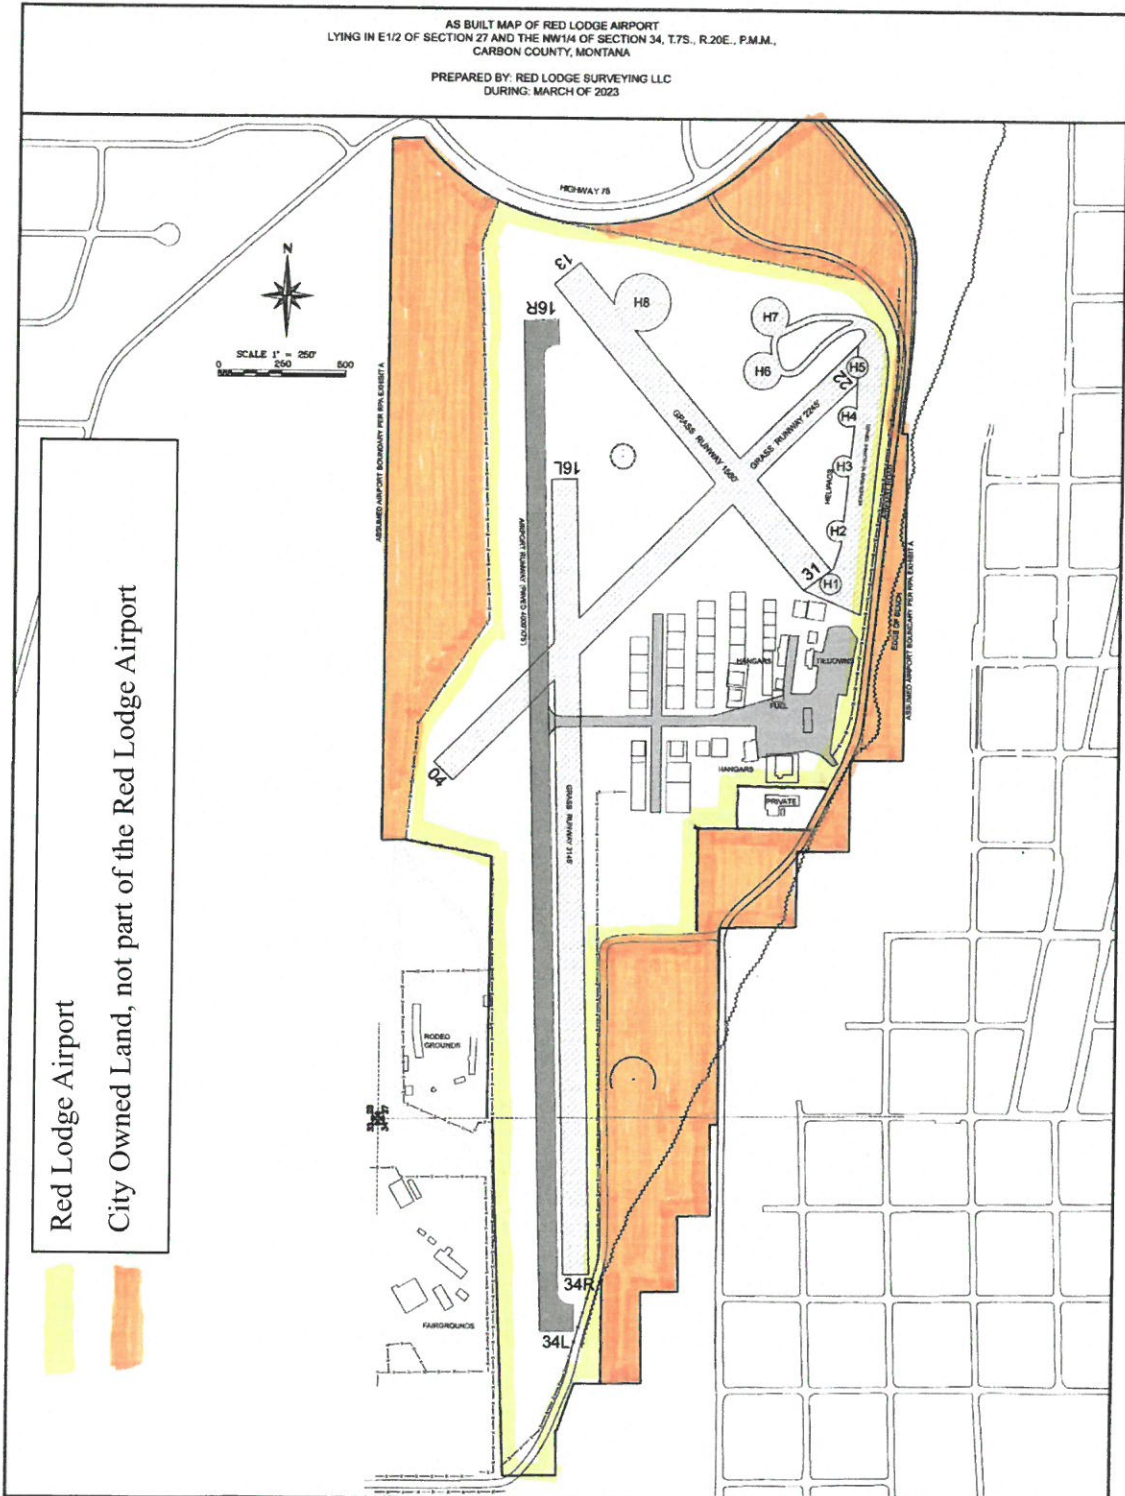

ATTEST:

City Clerk

AS BUILT MAP OF RED LODGE AIRPORT
LYING IN E1/2 OF SECTION 27 AND THE NW1/4 OF SECTION 34, T.7S., R.20E., P.M.M.,
CARBON COUNTY, MONTANA

PREPARED BY: RED LODGE SURVEYING LLC
DURING: MARCH OF 2023

INTER-LOCAL AGREEMENT FORMATION, AUTHORITY AND ADMINISTRATION OF ABATEMENT REGION 3 FOR THE OPIOID SETTLEMENT

This Interlocal Agreement (Agreement) is made pursuant to Title 7, Chapter 11, Part I, Montana Code Annotated on the tenth date of January, 2024 (Effective Date) between Big Horn County, Carbon County, Stillwater County, Sweet Grass County, Wheatland County, Judith Basin County, Fergus County, Petroleum County, Musselshell County, and Golden Valley County (collectively the “Parties”).

ARTICLE I - PURPOSE

The purpose of this Agreement is to establish the governance structure for the administration, management, and use of Opioid Remediation Funds that the Parties are entitled to receive as a part of a Settlement Agreement (Settlement Agreement) outlined in a Memorandum of Understanding (MOU) with the Attorney General, a copy of which is attached to this Agreement.

ARTICLE II- DURATION and TERMINATION

The terms and conditions of this Agreement shall become effective on the Effective Date of this Agreement. The term of this Agreement is two years from the Effective Date and may be extended for additional one-year periods, not to exceed ten years. This Agreement may be mutually terminated at any time, by any party, providing thirty (30) calendar days written notice of termination.

ARTICLE III-CREATION OF ENTITY

- A. CREATION OF REGION THREE MULTI-COUNTY OPIOID ABATEMENT REGION
- (1) By entering this Agreement, the Parties create the Region Three Multi-County Opioid Abatement Region (Abatement Region Three).
 - (2) Abatement Region Three shall have the responsibility to make decisions about planning, budgeting, and disbursement of funds for projects that will equitably and appropriately serve the needs of the entire Region to be consistent with the MOU and the Settlement Agreement's definition and description of appropriate Opioid Remediation and Approved Purposes.
 - (3) Abatement Region Three shall consist of ten (10) members, one appointed from each county who is a party to this Agreement. The members shall elect a presiding officer and shall hold regular meetings at least annually and special meetings as necessary,
 - (4) Abatement Regional Three designates Big Horn County as the Fiscal Agent as it relates to the Opioid Remediation Funds and the MOU and may on behalf of Abatement Region Three, submit claims, requests for disbursements, accountings of spending and any other financial reports or matters as it relates to these funds. The fiscal agent may withhold up to 5% of each grant award for administrative costs.

ARTICLE IV-GENERAL PROVISIONS

1. ASSIGNMENT and AUTHORITY

No party shall assign, transfer, or convey any right or obligation set forth in this Agreement without the prior written consent of the other parties. The undersigned represent that they have authority to enter this Agreement.

2. COMPLETE AGREEMENT

This Agreement constitutes the sole and entire agreement between the Parties with regard to the subject matter hereof. No other terms or conditions shall be binding upon any party unless accepted in writing. This Agreement supersedes any previous oral or written agreements between the Parties with regard to the subject matter hereof.

3. APPLICABLE LAW, VENUE and ATTORNEYS FEES

This Agreement shall be governed by the laws of the State of Montana and any action to enforce any right or obligation shall be brought in the Fourteenth Judicial District, Musselshell County. The prevailing party in any action to enforce this Agreement shall be entitled to attorney's fees.

4. COMPLIANCE WITH LAW

The Parties shall comply with all applicable federal, state, and local laws in performing under this Agreement.

5. SEVERABILITY

The provisions of this Agreement shall be deemed independent and severable, and the invalidity, partial invalidity, or unenforceability of any one provision or portion thereof shall not affect the validity or enforceability of any other provision of this Agreement.

6. RECORDING

All parties will be responsible for filing an executed copy of this Agreement with the Big Horn County, Montana Clerk and Recorder, the Carbon County, Montana Clerk and Recorder, the Stillwater County, Montana Clerk and Recorder, the Sweet Grass County, Montana Clerk and Recorder, the Wheatland County, Montana Clerk and Recorder, the Golden Valley County, Montana Clerk and Recorder, the Musselshell County, Montana Clerk and Recorder, the Judith Basin County, Montana Clerk and Recorder, the Fergus County, Montana Clerk and Recorder, the Petroleum County, Montana Clerk and Recorder, and the Secretary of State pursuant to 7-11-107, MCA. Cost of filing will be shared equally.

7. INTERLOCAL AGREEMENT

This Agreement is an interlocal agreement under Section 7-11-104. M.C.A. To that end, this Agreement shall remain in effect at least through the date stated in Article II

above, unless earlier terminated under the provisions hereof or by the agreement of the Parties. As an agreement amongst recognized government entities and political subdivisions, no partnership or joint venture is intended nor exists nor shall be deemed to exist between the Parties.

This Agreement entered on the Effective Date by:

ACKNOWLEDGEMENT FORM

**2024-2025 PCT RENEWAL
SCHEDULED PROPERTY**

_____ County, in conjunction with their agent, has reviewed the three schedules (Buildings, Vehicles, and Equipment) and have made the necessary updates, deletions and additions.

Furthermore, we understand that:

- (1) Coverage may be denied if the property in question is not properly scheduled or on file with MACo PCT.
- (2) The renewal premium is calculated off the scheduled values, so it's important to thoroughly review the items and values.
- (3) If a scheduled item lacks a value, the County has not paid premium for that property; thus, the item is insured for liability only even if the Liability Only option states "No".
- (4) Changes to any of the three schedules should be done through the online Portal in a timely fashion.

I hereby certify that I am an authorized agent to sign on behalf of this County.

Authorized Name (Printed)

PLEASE FILL OUT THIS FORM IN ITS ENTIRETY AND THEN SUBMIT BACK TO MACo. YOU MAY SUBMIT THE FORM VIA MAIL, EMAIL at bknopf@mtcounties.org OR FAX 406-443-4161.

MONTANA
HISTORICAL SOCIETY

State Historic
Preservation Office

Memorandum

To: Historic Preservation Officers
From: Kate Hampton, CLG Coordinator
Date: January 2, 2024
Re: CLG Grant Application for 2024-2025

For this grant cycle, we will continue the semi-annual and final reporting/reimbursement cycle. Quarterly requests for reimbursement, not to exceed half of the total grant, can continue to be submitted, as long there is sufficient cash and in-kind match for the amount requested (\$40 of matching funds for every \$60 of grant funds). **Please remember to provide sufficient documentation to determine the allowability of the charges reimbursed, including pay stubs, invoices, donated services forms with original signatures, and other supporting documents.**

Requests to reimburse the full amount of funding can be submitted with the six-month progress report, as long as sufficient activity and match has been documented.

2024-2024 Schedule – Dates to Remember

January 5, 2024	Announcement of Funds
February 15, 2024	CLG Grant Applications Due to SHPO
Upon Receipt and Approval	SHPO Mails CLG Agreements for Signatures
March 22, 2024	Both Signed Agreements to SHPO
April 1, 2024	12-Month Funding Cycle Begins
September 30, 2024	Mid-Point of Funding Cycle
October 31, 2024	Six-Month Progress Report & Request for Reimbursement due
March 31, 2025	Funding Cycle Ends
April 30, 2025	Final Progress Report and Request for Reimbursement due

Grant for 2022-2023:

As of this writing, the US Congress has not appropriated this federal fiscal year's budget. However, we anticipate offering annual grants for up to \$6000. Those who received \$2000 -\$4000 last year may apply for \$2000 or up to \$6000 - please consult with MT SHPO. However, until the US Congress has finalized the appropriation, the CLG grants are subject to increase or decrease. Enclosed you will find the annual grant application that MT SHPO offers for certified CLGs.

CLG Program Grant Application Due: Wednesday, February 15, 2024
Digital submissions preferred. Email to: khampton@mt.gov

CLG Application Notes and CLG Reminders:

1. Remember annual CLG training is required. At least one person from each CLG's preservation program must attend a SHPO-approved training between April 1, 2023 and March 31, 2024.
2. The state mileage rate is **\$0.670** per mile. The lodging reimbursement rate is **\$107.00** per night plus taxes (may vary by location, check with SHPO for rates).
3. Volunteer time reimbursement rate is **\$27.87** (unless a person is volunteering their time in an official professional capacity; then they can record their regular professional services pay rate. This rate shall not exceed the maximum daily rate of compensation in the Federal Civil Service equal to 120 percent of a GS-15, step 10 salary (According to [FederalPay.org](https://www.federalpay.org) as of January 2023, up to a **maximum \$102.23/hr.**, in place of the volunteer rate).
4. Please attach a list of the historic preservation board members, their professional discipline or citizen membership, term (year ending) and contact information (include email addresses if available). Please notify us of any changes that have occurred. If you have new board members, please send us their current resume for our record.
5. Please continue submitting your meeting minutes with your progress reports. They have been very helpful with our reporting requirements. Agendas are helpful but not necessary.
6. For CLGs that have design review responsibilities, please track the number of reviews you complete over the course of the grant period.
7. In the Scope of Work, please tie your tasks to your local government's and/or historic preservation commission's Preservation Plan. If not, please explain why.
8. Consider looking to other state and federal grants to supplement your program. Remember, the SHPO CLG grant cannot be used as federal match, or vice versa.

Annual CLG Program Funding

We anticipate 15 Montana communities enrolling in the CLG program this grant cycle. Each year, we are required by the National Park Service to pass-through at least 10% of our annual funding to CLGs. This coming year, we anticipate allocating \$90,000.00 to the CLGs via annual grants. Investment in the CLG program is not only a wise use of our funds but crucial to preservation efforts in our state, and we will continue to look for opportunities to increase CLG funding.

We stress public outreach in the CLG program. Please continue your outreach programs and develop new ones to involve all ages in your community. Please also consider programs and projects that have tangible/measurable outcomes.

Please provide a copy of this correspondence to your CLG Board or Commission for their review and assistance. The application form requires a copy of your meeting minutes that confirm your application was discussed and approved by the Board/Commission.

Please verify the current Tax-ID for your organization, or the organization through which you receive your payments. (your CLG local government)

Guidelines for 2022-2023 CLG Grant Eligibility

CLG guidelines include the following:

1. CLG program grants must be matched on at least a 60/40 basis, cash and/or in-kind.
2. To qualify for the maximum 12-month funding level – \$6,000.00 – CLGs must have a Historic Preservation Officer working at least 80 hours per month. The local historic preservation program must have an established address, telephone number, and message retrieval system. (Hours may not be carried forward or back into another month.)
3. All CLGs must maintain a historic preservation commission that meets at least quarterly.
4. Maximum grant amount of \$6,000.00 can be used towards projects directly associated with the local historic preservation program. Grant expenditures on SHPO-approved, tangible/measurable projects strongly preferred. Matching funds and grant fund expenditures may also include HPO salaries. Overhead/administrative costs should not exceed 25% of the grant or matching funds. **Check with SHPO to ensure your proposed project qualifies for funding under the grant. Bricks and mortar projects must meet SOI standards, benefit a NR-listed property, and complete Section 106 and NEPA review prior to the beginning of the project.** Minimum match is \$4,000.00, and match above minimum is always greatly appreciated.
5. CLGs must submit a Six-Month Progress Report and a Final Report, including meeting minutes, and Requests for Reimbursement that meet documentation and reporting requirements and are delivered on-time.
6. Unspent CLG funds revert to SHPO. Reverting funds may jeopardize the CLG's future funding.

For more guidance on administering CLG funds in Montana, please refer to the *Montana Certified Local Government Manual*, https://mhs.mt.gov/Shpo/docs/CLG_Manual.pdf, as well as the NPS Historic Preservation Fund Grants Manual, https://dpr.vi.gov/wp-content/uploads/2021/02/HPF_-Grants-Manual-419-Pages.pdf

Components of 2024-2025 Complete Grant Application

1. Completed CLG Application form, including:
 - a. Contact information
 - b. Scope of work
 - c. Detailed budget table
 - d. Sources of revenue/funding
 - e. Signed CLG and Commission form
2. List of current CLG Commission members (including contact information, i.e. email)
3. An electronic version of the Preservation Plan. Either a link to where the plan is available on the web or via email to Kate.
4. Copy of Tax ID/Employer Identification Number, if new.

If you have any questions regarding this application, please contact us:

CERTIFIED LOCAL GOVERNMENT PROGRAM**

Certified Local Government: Carbon County

Address: PO Box 881, 224 Broadway Ave. North, Red Lodge, MT 59068

Contact Person: Rebecca Van Horn

Tax ID: 81:600139

Unique Entity Identifier (UEI): _____

Period of Grant Request: April 1, 2024 to March 31, 2025

Scope of Work: The National Park Service asks we grant funds to CLGs for kinds and levels of work that reflect increasing sophistication, skills, and roles by the Preservation Officers, in other words, tasks that reflect improvement in community thinking. For this section, please itemize special projects, products or projects starting or completing, meetings to be attended, regular work duties, etc., and specifically, ways in which the federal grant funds will help a project or program beneficial to the growth and development of the local program. Please tie your tasks to your community's Preservation Plan. If not, please explain.

Check if Scope of Work is continued on additional pages.)

Organization: Organize and attend Carbon County Historic Preservation Commission meetings to ensure implementation of County-wide preservation activities. Attend workshops and other training, offered online, as provided, to stay current with current Federal and state initiatives. *Part 1 CCPP (Carbon County Preservation Plan)*

Identification: Maintain appropriate records of historic properties in Carbon County. Identify properties that may be eligible for listing in the National Register of Historic Places, and as necessary seek funds to complete nominations. *(Part 3 CCPP)*

Review and Compliance: Assist local governments and Federal agencies with review of actions that may affect historic properties. This may be through formal reviews required by Section 106 or by local ordinances. *(Part 5 CCPP)*

Preservation Planning: Ensure preservation planning is integrated in Carbon County and its communities by attending appropriate meetings, city & town council meetings, local board meetings, and any other public meetings to ensure historic preservation is considered in proposed actions. As appropriate, review and update the Carbon County Historic Preservation Plan and make the plan available to local governments, private and public organizations and the general public. *(Part 5 CCPP)*

Public Education: Participate in public education and outreach by assisting community members and professionals researching historic properties, conducting tours; making public presentations; and assisting the Carbon County Museum in its public outreach activities. *(Part 6 CCPP)*

Preservation Office

Memorandum

To: Historic Preservation Officers
From: Kate Hampton, CLG Coordinator
Date: January 2, 2024
Re: CLG Grant Application for 2024-2025

For this grant cycle, we will continue the semi-annual and final reporting/reimbursement cycle. Quarterly requests for reimbursement, not to exceed half of the total grant, can continue to be submitted, as long there is sufficient cash and in-kind match for the amount requested (\$40 of matching funds for every \$60 of grant funds). **Please remember to provide sufficient documentation to determine the allowability of the charges reimbursed, including pay stubs, invoices, donated services forms with original signatures, and other supporting documents.**

Requests to reimburse the full amount of funding can be submitted with the six-month progress report, as long as sufficient activity and match has been documented.

2024-2024 Schedule – Dates to Remember

January 5, 2024	Announcement of Funds
February 15, 2024	CLG Grant Applications Due to SHPO
Upon Receipt and Approval	SHPO Mails CLG Agreements for Signatures
March 22, 2024	Both Signed Agreements to SHPO
April 1, 2024	12-Month Funding Cycle Begins
September 30, 2024	Mid-Point of Funding Cycle
October 31, 2024	Six-Month Progress Report & Request for Reimbursement due
March 31, 2025	Funding Cycle Ends
April 30, 2025	Final Progress Report and Request for Reimbursement due

Grant for 2022-2023:

As of this writing, the US Congress has not appropriated this federal fiscal year's budget. However, we anticipate offering annual grants for up to \$6000. Those who received \$2000 - \$4000 last year may apply for \$2000 or up to \$6000 - please consult with MT SHPO. However, until the US Congress has finalized the appropriation, the CLG grants are subject to increase or decrease. Enclosed you will find the annual grant application that MT SHPO offers for certified CLGs.

CLG Program Grant Application Due: Wednesday, February 15, 2024
Digital submissions preferred. Email to: khampton@mt.gov

CLG Application Notes and CLG Reminders:

1. Remember annual CLG training is required. At least one person from each CLG's preservation program must attend a SHPO-approved training between April 1, 2023 and March 31, 2024.
2. The state mileage rate is **\$0.670** per mile. The lodging reimbursement rate is **\$107.00** per night plus taxes (may vary by location, check with SHPO for rates).
3. Volunteer time reimbursement rate is **\$27.87** (unless a person is volunteering their time in an official professional capacity; then they can record their regular professional services pay rate. This rate shall not exceed the maximum daily rate of compensation in the Federal Civil Service equal to 120 percent of a GS-15, step 10 salary (According to [FederalPay.org](https://www.federalpay.org) as of January 2023, up to a **maximum \$102.23/hr.**, in place of the volunteer rate).
4. Please attach a list of the historic preservation board members, their professional discipline or citizen membership, term (year ending) and contact information (include email addresses if available). Please notify us of any changes that have occurred. If you have new board members, please send us their current resume for our record.
5. Please continue submitting your meeting minutes with your progress reports. They have been very helpful with our reporting requirements. Agendas are helpful but not necessary.
6. For CLGs that have design review responsibilities, please track the number of reviews you complete over the course of the grant period.
7. In the Scope of Work, please tie your tasks to your local government's and/or historic preservation commission's Preservation Plan. If not, please explain why.
8. Consider looking to other state and federal grants to supplement your program. Remember, the SHPO CLG grant cannot be used as federal match, or vice versa.

Annual CLG Program Funding

We anticipate 15 Montana communities enrolling in the CLG program this grant cycle. Each year, we are required by the National Park Service to pass-through at least 10% of our annual funding to CLGs. This coming year, we anticipate allocating \$90,000.00 to the CLGs via annual grants. Investment in the CLG program is not only a wise use of our funds but crucial to preservation efforts in our state, and we will continue to look for opportunities to increase CLG funding.

We stress public outreach in the CLG program. Please continue your outreach programs and develop new ones to involve all ages in your community. Please also consider programs and projects that have tangible/measurable outcomes.

Please provide a copy of this correspondence to your CLG Board or Commission for their review and assistance. The application form requires a copy of your meeting minutes that confirm your application was discussed and approved by the Board/Commission.

Please verify the current Tax-ID for your organization, or the organization through which you receive your payments. (your CLG local government)

Guidelines for 2022-2023 CLG Grant Eligibility

CLG guidelines include the following:

1. CLG program grants must be matched on at least a 60/40 basis, cash and/or in-kind.
2. To qualify for the maximum 12-month funding level – \$6,000.00 – CLGs must have a Historic Preservation Officer working at least 80 hours per month. The local historic preservation program must have an established address, telephone number, and message retrieval system. (Hours may not be carried forward or back into another month.)
3. All CLGs must maintain a historic preservation commission that meets at least quarterly.
4. Maximum grant amount of \$6,000.00 can be used towards projects directly associated with the local historic preservation program. Grant expenditures on SHPO-approved, tangible/measurable projects strongly preferred. Matching funds and grant fund expenditures may also include HPO salaries. Overhead/administrative costs should not exceed 25% of the grant or matching funds. **Check with SHPO to ensure your proposed project qualifies for funding under the grant. Bricks and mortar projects must meet SOI standards, benefit a NR-listed property, and complete Section 106 and NEPA review prior to the beginning of the project.** Minimum match is \$4,000.00, and match above minimum is always greatly appreciated.
5. CLGs must submit a Six-Month Progress Report and a Final Report, including meeting minutes, and Requests for Reimbursement that meet documentation and reporting requirements and are delivered on-time.
6. Unspent CLG funds revert to SHPO. Reverting funds may jeopardize the CLG's future funding.

For more guidance on administering CLG funds in Montana, please refer to the *Montana Certified Local Government Manual*, https://mhs.mt.gov/Shpo/docs/CLG_Manual.pdf, as well as the NPS Historic Preservation Fund Grants Manual, https://dpr.vi.gov/wp-content/uploads/2021/02/HPF_Grants-Manual-419-Pages.pdf

Components of 2024-2025 Complete Grant Application

1. Completed CLG Application form, including:
 - a. Contact information
 - b. Scope of work
 - c. Detailed budget table
 - d. Sources of revenue/funding
 - e. Signed CLG and Commission form
2. List of current CLG Commission members (including contact information, i.e. email)
3. An electronic version of the Preservation Plan. Either a link to where the plan is available on the web or via email to Kate.
4. Copy of Tax ID/Employer Identification Number, if new.

If you have any questions regarding this application, please contact us:
