Electors will consider the following issues at the election:

- Two (2) Trustee(s) to be elected for a three (3) year term,
- Mill levy proposition to finance the school's 25Year General Fund
- Proposition: Shall the board of trustees be authorized to impose an increase in local taxes to support the general fund in the amount of NINETY-FIVE THOUSAND DOLLARS (\$95,000) per year which is approximately 30.42 mills, for the purpose of maintaining and operating the General Fund for FY25? Passage of the proposal will increase the taxes on a home with a market value of \$100,000 by approximately \$41.07, on a home with a market value of \$300,000 by approximately \$123.20, and on a home with a market value of \$600,000 by approximately \$246.40. An increase in property taxes may lead to an increase in rental costs. The durational limit of the levy is permanent once approved by the voters, assuming the district levies that amount each year thereafter. However, lowering over-BASE tax levies in any year will lower the amount of permissively over-Base levies in subsequent years.
